

# The Logical Control Solutions

## e-Parts Website:

A new, better way to purchase building automation parts and HVAC controls online, with **FREE GROUND FREIGHT** on all orders!

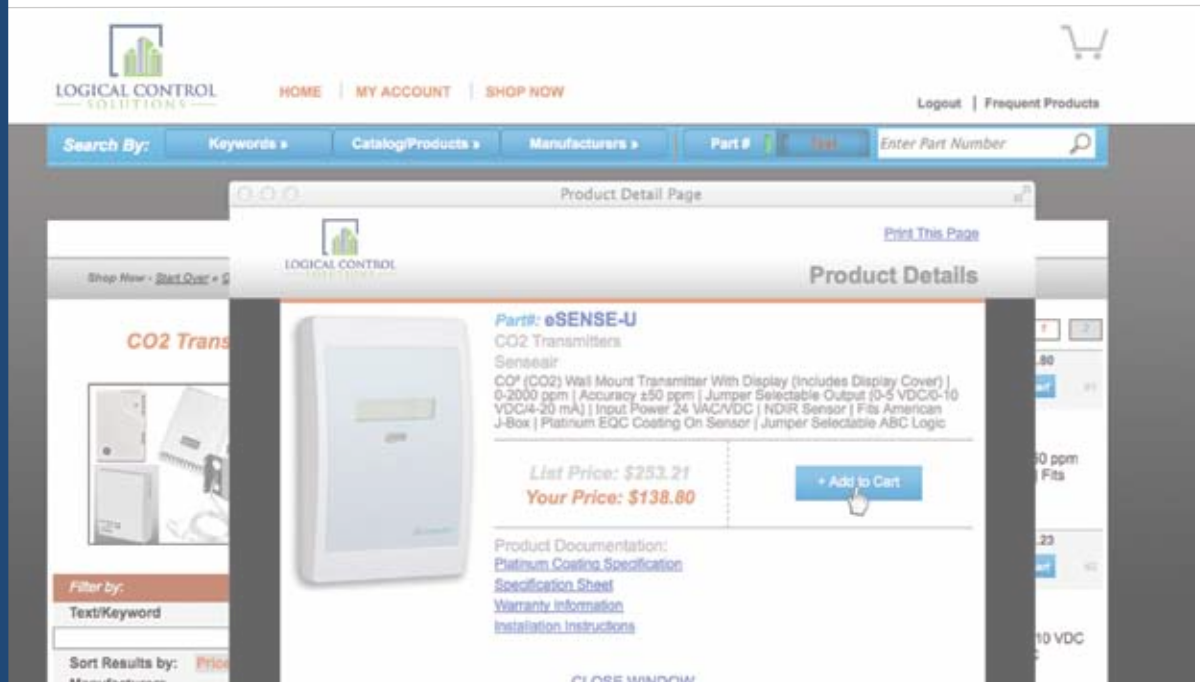

Logical Control Solutions has taken another step in providing unique solutions for our clients in the creation of [lcseparts.com](http://lcseparts.com) — an online shopping site for building automation controls and HVAC parts from more than 120 of the industry's leading manufacturers. We built [lcseparts.com](http://lcseparts.com) to move you one step closer to meeting your project and business goals, and we've worked with our partners to develop a customer-focused site that will deliver the very best experience in purchasing all the parts you need online.

Visit [lcseparts.com](http://lcseparts.com) today and register for an account to take advantage of preferred pricing and extended credit terms. We developed the site with you in mind, and we're confident that you'll see the benefits.

## On our website, you'll find:

- |                                       |                                     |                                   |
|---------------------------------------|-------------------------------------|-----------------------------------|
| Access Controls                       | Gauges and Thermometers             | Pressure                          |
| Air Compressor Accessories and Dryers | Handheld Sensors and Data Loggers   | Relays and Contactors             |
| Annunciators                          | Humidity/Condensation               | Remote Monitoring Alarm Systems   |
| Automated Logic Products              | HVAC Installation Materials         | Security Cameras                  |
| Batteries                             | Infinity Products                   | Smoke and Thermal Detectors       |
| Boiler/Domestic Hot Water             | Leak Detection                      | Surge Protection and UPS          |
| Controllers/Gateways                  | Level Sensors and Switches          | Temperature Sensors               |
| Dampers and Actuators                 | Lighting Systems and Controls       | Thermostats and Controllers       |
| Echelon® Products                     | Motors and Motor Controls           | Timers                            |
