The Logical Control Solutions e-Parts Website:
lcseparts.com

A new, better way to purchase building automation parts and HVAC controls online.

LOGICAL CONTROL SOLUTIONS
An EMCOR Company

FREE SHIPPING ON ALL GROUND FREIGHT!

Logical Control Solutions has taken another step in providing unique solutions for our clients in the creation of lcseparts.com. An online shopping site for building automation controls and HVAC parts from more than 160 of the industry's leading manufacturers. We have combined efforts with our many partners to develop a customer-focused site that will deliver the very best purchasing experience for all of your parts needs.

Here are just a few of our industry's most well-known and trusted brands that we offer:
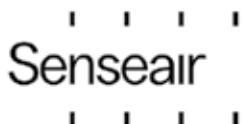

BAPI — Sensors for HVAC/R

BAPI is a premier sensor manufacturer specializing in sensors for temperature, humidity, pressure, wireless and air quality monitoring. Using the highest quality sensing elements, paired with state-of-the-art manufacturing and meticulous testing, and quality assurance procedures to ensure a reliable product time after time.

BELIMO

Belimo is a global market leader in the development and production of actuator solutions for controlling heating, ventilation, and air conditioning systems. They have earned their position as market leader by valuing ingenuity and craftsmanship, and the philosophy of never resting on their accomplishments.

setra

Setra Systems continues to design and deliver sensiandg devices for many diverse applications and industries. They deliver innovative solutions for HVAC & building automation, industrial OEM, testing and measurement of critical environments. They continually measure their standards and further develop innovative ways to do better.
